

EAST SURREY SCOUTING

DISTRICT NEWS JULY 1986

DIRECTORY

Several copies of a Directory, arranged by Section are being delivered to each Group. Will G.S.L.s please distribute these within the Group as appropriate. Further copies are available on request. The entries will not be error free, so please advise as you spot them together with additions - post codes etc.

SCOUTABOUT 87

Ample copies of an information and commitment form are enclosed for all leaders in the Scout Section, Patrol Leaders, supportive parents and members of the D.S.F. Though the event is not until July 1987, it is vital that Troops get talking about this NOW and make an early commitment.

HANDICAPPED SCOUTING

One copy of a questionnaire with regard to handicapped members in each Section has been sent to each Group with this mailing. It is required that this is completed and returned to Phil Jones (ACC-Handicapped) by 1st September LATEST but it will be best to get this job done straight away. Will you please send these off direct as the D.C. will not be available for the next few weeks. G.S.L.s might like to keep a copy for their own records and to send a further copy to the D.C. for his.

PUBLIC RELATIONS, RECRUITMENT ETC.

The planning in Groups to see what can be achieved through a 'campaign' in the Autumn seems to be accelerating. Well done. The chances are that the free printing offer might be resumed in September, so keep the ideas coming.

Food for Thought

Once upon a time, there were four people named Everybody, Somebody, Anybody and Nobody.

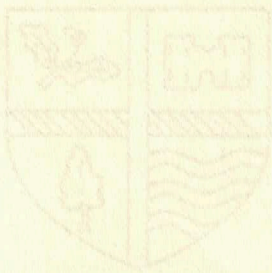

There was an important task to be done, and Everybody was sure that Somebody would do it.

Anybody could have done it, but Nobody did it.

Somebody got angry about that because it was Everybody's job.

Everybody thought that Anybody could do it, but Nobody realised that Everybody would not do it.

It ended up that Everybody blamed Somebody when Nobody did what Anybody could have done.
