SUNDAY 20TH APRIL - LINGFIELD PARISH CHURCH

Following much thought and discussion it is considered that there is little we can do to alter the format of the parade. The exceptions are, that a limited Beaver representation will be invited, and that as we take over Lingfield High Street anyway for about 10 minutes each way, we will proceed with a column width of 5 to shorten the column and cover the distance quicker. Leader representation should be arranged to walk on the outside edge (making 6) in order to preserve a reasonably straight outside edge.

We are not expected to look like the army but our image could be improved if Sections have a short rehearsal prior to the event. There are certain basics which even the quite young can be partially taught.

- a) No talking
- b) Complete and proper uniform
- c) Watch the bod in front and to the right to keep position
- d) Hands clear of pockets

If the weather is tolerant, we may have a brief inspection at some point.

With regard to Beavers, each Colony is invited to be represented by up to four boys if they are within reach of Cub age, say about 7½. The whole Beaver contingent will be together in Church at the front. It will be advised in due course as to whether the Beavers will join the walk or be taken straight into the Church.

Some of the finer points are detailed overleaf. If any leader has any queries will they please contact Mary Osborn.
