

EAST SURREY SCOUTING

DISTRICT NEWS MAY 1986

NOTICES

THE DISTRICT AGM

Should this reach you in time, just a last minute plea to ask you to do your best to attend. If we are to help ourselves, we have to overcome some of our problems of communication. This being the only occasion in the year when the whole District can get together, to do so as far as possible is quite important. Please do your best.

This year the event is free, refreshments provided and will not go on too long.

All those entitled are asked to wear uniform.

Lagham HQ - 7.45 for 8.00 pm start, 14th MAY.

CHIEF SCOUT'S VISIT TO SURREY

All Leaders have an opportunity to meet the Chief Scout (and this will not happen often), on Wednesday 12th November. If you would like to do so and can keep the date free, perhaps you will find a way to tell me, either through your GSL, or by approaching me directly. If, as I hope, several Leaders wish to, I will take steps to organise a coach so that we can arrive together and you can feel free to take a glass of wine.

ADC (LEADER TRAINING)

Following a long and distinguished period of service as ADC(LT), Dennis Brown has decided to retire. Dennis has also been a member of the County Training Team and we have a considerable debt of gratitude for the LT standards which have resulted. Thanks also to Rita who has not seen too much of Dennis at weekends.

I am pleased to announce that John Rowse has been appointed ADC (LT), to wish John every bit of enjoyment that can come with this appointment and ask all Leaders for their full support for him.

DISTRICT DIRECTORY

Those of you who need it will know how out of date it is. As you will currently be 'swearing in' new Group Administrators, will someone please make a point of letting me know who they are. Post codes will be helpful, but more importantly, Christian Names.

OPEN DAY(S) - 27/28 OCTOBER

What are you going to do? - several Groups have not yet said.

News

THE RACE EVENING

Super event, enjoyed by all who were present. Raised over £300 for the District.

District Scout Fellowship initiative and organisation. District Commissioner made profit on last race but more by luck than judgement.

DISTRICT CUB SCOUT CROSS - COUNTRY

Congratulations:

Winners: Lingfield Oak
2nd Oxted Acorn
3rd Hurst Green Manor

Complete details previously published to leaders in the Cub Scout Section.

THE CENSUS

Thank you to almost all Groups who responded to the administration promptly - as a District we were a little later than usual in getting the information to County.

This was because the DC was on holiday at an inconvenient time, for which, he has no intention of apologising.

All things considered we seem to have held our position:

	<u>This year</u>	<u>Last year</u>
Beavers	104	85
Cubs	282	289
Scouts	197	203
V/Scouts	67	72
Dist. Fell.	23	36*
Adults	123	119
Total	796	804

* Figure slightly in error as some already covered within adult leaders.

NOTICES - CONTINUED

CONGRATULATIONS

On completion of Advanced (Wood Badge) Training to:

Libby Hudson (Oxted)
Gillian Bartlett (Tatsfield)
Gillian Daniels (Hurst Green)

On completion of the requirements of the Chief Scout's Award to:

Simon Scarboro (SPL - Tatsfield)

BEST WISHES

To Barry and Mary Hillier for speedy recovery from recent operations. Get well soon, you have so many Scouting friends thinking of you.

THE GROUPS

Hazelwood - It is with regret that I have to advise the closure of the Cub Section at Hazelwood Preparatory School - Hurst Green.

Lingfield - It is with regret that I have to advise of the resignation of Terry Sanders as GSL Lingfield. Terry has made a super contribution within this appointment for several years but due to a number of factors feels obliged to resign.

For the time being please communicate with Graham Hillier with regard to Group matters.

Brian Geliot (DC)

COMMENT

ST. GEORGE'S DAY

Well done, standing room only in the Church, a very good attendance.

Congratulations to the young Beavers who were representing the Section, they were very attentive. Proud of them.

Not quite so good, those who do not regard trousers as part of the uniform. May I offer an invitation to those Leaders who sincerely believe that uniform is only required from the waist up to telephone me with regard to their views so that we may get this issue sorted out for once and for all.

Brian Geliot (DC)

THE CENSUS - continued

A decline of 8 members, not too bad but could be much bettered if all Groups will give their their full support to the development issues.
