October 1982.

CUB SECTION.

There have been two main events so far as the Pack is concerned, since the last Lagham News. Firstly our summer camp was held at Broadstone Warren in August. 21 cubs from our Pack were joined by two from Canada, Ben and Paul Vincent, who are the sons of Eileen Walter's brother. They were made very welcome and joined in all the activities which we managed to achieve despite the very wet weather on Saturday evening which dampened our Camp fire but not our spirits. There were many memorable events but ones which stand out were Chills attempt to ride the camp bike; Andrews wet escapade whilst canoeing at Tonbridge; Keith's kidnapping; Hathi's kangaroo court (now a regular feature of cub camp) and Stephen's success in the badminton competition. The cubs were divided into five patrols, four of which were named after the patrols at BP's original scout camp at Brownsea Island in 1907 i.e. Curlews, Ravens, Wolves and Bulls. The fifth patrol was Squirrels taken after the Broadstone Warren Site's emblem. The camp trophy was won by the Wolves patrol of Kevin Rhodes, Jason McClean, Robert Tinnelly and Mark King. At the end of the camp, 11 Campers badges and 12 explorers badges were awarded, together with Silver Arrows to Richard White, Jason McClean and Robert Tinnelly and a Bronze Arrow to Stuart Archer.

The second main event was the Pram Race in September in which the Pack did very well in the Races to win the trophy back again, having 'lent' it to the Godstone Cubs last year! Despite valiant efforts (and not a little extra help!) the Pack lost to the girls of the Nautical Band in the final of the Tug-of-War.

Congratulations to those cubs already mentioned above on the award of their Silver and Bronze arrows and also to the following:-

Russell Knowles (Gold arrow and Link Badge)
Ryan Erroll (Silver arrow)
Phillip Tickner (Wand)
Keith Thomas & Chris Macey (Bronze arrow)
Kevin White (Cub Scout Badge)

Best Wishes - to Russell on his entry to the Scout Troop.

Welcome to our new cubs Kevin White, Steven King, David Skeggs, James Nunn, Stuart Cooper and Simon Collins.

Sixes - the sixes have been re-

In addition Chris Rebbeck becomes Senior Sixer in place of Russell.

Best Wishes - Akela.

SCOUT SECTION.

Wedding Bells.

Our sincere congratulations to Ray Fox and Fiona Manning upon their engagement. We understand that the big day will not be too far away and we wish them both well.

Beavers.

You may have heard of this new section within the Scout movement. The "Beavers" are intended to cater for young boys aged between six and eight years old. They will have their own leaders, will wear a blue scarf and woggle and do activities suited to their age. Beavers will become cub scouts at the age of eight but are a totally separate section of a scout group. Thus if Lagham started Beavers we would have four sections:-

Beavers	Aged	6 - 8	(Colony)
Cub Scouts	Aged	8 - 11	(Pack)
Scouts	Aged	11 - 16	(Troop)
Venture Scouts	Aged	16 - 20	(Unit)

We have decided that subject to the approval of the District Commissioner we would like to start a "Beaver Colony". However, before doing so we would first of all have to appoint a Beaver leader and Assistant Beaver leaders. Please telephone Skip on Lingfield 833201 or contact any leader if you:

- 1) Would like to volunteer as a leader, OR
- 2) You know someone who you think would make a good leader who would like to help or whom we could approach.

We feel that there is a demand for Beavers but we must have leaders who would like to help these six to eight year olds. Meetings would take place weekly - probably fairly early evening - on a day to suit the leaders. Please volunteer or help us find leaders to start this new and interesting section. We look forward to hearing from you and to many volunteers joining our team of leaders at Lagham. A marvellous opportunity for those who would enjoy working with youngsters.

Brownies.

We are delighted to welcome the Brownies and Brown Owl Mrs Rene Webber to our Headquarters. They will be meeting on Monday Evenings before Cubs and we do hope that they will be very happy in our midst.

County Swimming Gala.

The D.C. has asked Lagham to represent East Surrey in the County Swimming Gala at Guilford on Saturday 30th October. Would our team please ensure that they turn up at the HQ - in full uniform - no later than 4.45 pm so that we can be in Guilford in good time for the start of the Gala at 6.30 pm.

Supporters and parents are welcome to attend and can either have a lift in with the team or make their own way.

Parents Evening.

Please note the date in your diaries. It is on Friday 3rd December. All parents and friends are invited to come along. We hope that you can all find time to join us.

NB: All interested parents of prospective Beavers from South Godstone are invited to a meeting at the Scout H.Q. Lagham Road at 8 pm on Wednesday THE 3rd November 1982 when the Group's Cub Scout Leader, John Axtell will explain all details and answer questions..

VENTURE SCOUT SECTION.

A Sailing Weekend

During the weekend of the 10 - 12 September, a few members of the Unit went sailing on the yacht "Penkin", and a good time was had by all.

At 6pm on Friday the 10th, Mandy Humphrey, Richard Goodall and myself, met the Skipper - Harry Osbourne - at the Railway Inn and drove down to Gosport. At 6.30pm Huw Morgan and Janet Outtrim met Stephen Ayles and drove to Ray's house to pick up the food and Stephen followed Ray down to Gosport.

In the meantime, the rest of us had arrived at Gosport Marina and were waiting for the others. When they arrived, we then took the dinghy "Ellenbee" out and rowed over to Penkin in two trips as she was moored in the bay. Once we were all aboard we stowed our gear and eventually went to bed at about 12.30am for a few hours sleep.

At 4.30 on Saturday morning we left Gosport harbour, with starboard watch on duty, that is Steven Richard and Janet, with Richard at the tiller. It was a little foggy, so the helmsman had to steer on a compass course (which inevitably went crooked!). When we were underway Port Watch, that is Huw, Mandy and myself, made breakfast. This was eaten on the move as there was very little wind and the seas was calm. After breakie, Port Watch were on duty. We slowly sailed to the Needles and arrived at Alum Bay after tacking to and fro, and having a Man Overboard drill with a fender. Lunch was eaten in the sunshine on deck. Afterwards, Mandy, Huw and myself went for a row in the inflatable which deflated after we had bailed it out several times. Richard, the fool!, went for a swim (well he called it a swim), in the icy depths. We then sailed slowly to Lymington where we were to spend the night. On the way Huw, forward lookout, fell asleep on deck, and failed to inform the rest of the crew that we were heading for a rather large ferry! We managed to avoid it! (phew!) Once in Lymington Marina we all had showers and then dinner. Afterwards we went to find a pub, and although we were tired, we had a pleasant evening. On the way back to the boat we stopped outside a house to listen to "Auld Lang Syne" from the Last Night of the Proms.

On the Sunday we got up at 7.30am (a lie in) and left Lymington Marina at 8.45am after a cooked breakfast. As there was even less wind, the two watches had a contest to see who could change the Headsail the quickest underway. The Port Watch won.

Although the journey was very slow we arrived back at Penkins mooring at 3pm. After cleaning the boat and scrubbing the decks, as well as generally tidying up, we were rowed ashore. We put "Ellenbee" away and left for home, after an enjoyable weekend sailing!

JOIN THE VENTURE SCOUT UNIT (AND GET UP EARLY!)

3.30 am Saturday 14th August 1982.....

Why were 4 male, 4 female members and two leaders of the Unit packing their sleeping bags at a time of day when most party-goers are getting to bed?

Why was the Venture Scout Leader, Ray Fox not present?

The Unit are just about to depart on their Summer Expedition, travelling by minibus to Pleubian, Brittany, France for seventeen days.

Ray Fox, our esteemed leader had spent the night (or what there was of it) at home, preferring home comforts to the hard floor of the headquarters. With the minibus packed the night before all that was left for the Unit to do was to get themselves awake and into the minibus.

This we did at 0400 hrs., heading for Ramsgate for an early Hovercraft to Calais. On reaching Calais after a smooth crossing, group photos were taken followed by farewells to two members of the Unit who were to travel the rest of the journey by train. Huw and Gavin (rumours flying round, that with their knowledge of the French language they would end up in Syria).

Everybody made it to the campsite a few days later without too much discomfort, a couple more days were needed to recuperate.

With the journey over, it was down to the serious business of enjoying ourselves, this we did with gusto (who ever he may be!), playing football, cricket, volley-ball, (sometimes all at the same time). We also hired a wind-surfer and bicycles, and going out for day-outtings.

Alas, the holiday was over all too soon, and the minibus was steered for home, via stopping for a meal and going up the Eiffel Tower in Paris.

PRAM RACE.

Sunday, September 12th, 1982 was the date chosen for the Latham Pram Race. It was, by the afternoon, a fairly nice day so capacity crowds pushed and shoved to get their programmes and enter. Business for the side-stalls, and of course, Delucy's 'Hot - Dog' stand, fake antiques etc. They were soon unable to cope with demand.

Teams from Oxted, Godstone entered as did some Guides of unknown origin. Latham as usual were there in force. Cubs and Scouts managed to finish in good positions, but Delucy's team of Andy Duff, Kevin Harding and David Walter did not. I, was also in the team and we ended up with one broken pram and last place in the 16-and-over category. In the 18-and-over's we did manage to finish second. Not too bad a going!

Various competitions took place in the afternoon apart from the pram-racing. These included the 'Knobly Knees' and the tug-of-war, in which Delucy were up against the cubs - all 22 of them and some Dads! (Mr C. White and Akela, sorry no other names known). Cubs went through and Venture Scouts didn't although we did have some consolation as we beat Oxted Venture Scouts fairly afterwards "2-1".

I do believe £900-00 was raised that day as well.

George Padelopoulos
Venture Scout

NOTICE!!!!!!

A letter of thanks was received from Mr Richard Ball thanking the Scouts for their donation to the Lisa Ball Television Appeal, and can be seen on the notice board at the H.Q.
