

LAGHAM NEWS

NO 3.

April 1981

SCOUT SECTION

Leaders

We are most fortunate to have a large number of leaders in our Group. The Unit in particular has made a magnificent contribution to the making of leaders both for our Group and for the benefit of others. (the De Lucy equivalent of the 'Max Boyce' outside Half factory in Wales).

On the face of things the Troop has four leaders in reality it is seldom that all leaders are together on a Friday evening due to business commitments etc. We have a large troop and naturally most boys turn up regularly every week. If two leaders are away then the two left have to manage on their own, this means a reduction in training.

We could do with more help in the Troop. We would like more leaders or instructors or helpers both uniformed and un-uniformed. The basic need is for help on a regular basis. If you can help for know of someone whom you can recommend then please contact Skip(Lingfield 833201) or Bosun (South Godstone 3328). You do not necessary have to feel skilled at anything as long as you feel you can help us. Forty scouts would love to hear from you so that they can have more activities.

MEMBERSHIP SUBSCRIPTION

Each year we have asked all sections of the Group to raise sufficient money to cover the cost of the 'Membership' subscription which we have to pay to the District treasurer on or about April 1st,

The cub scouts and scouts normally raise their money by doing 'Job week' or sometimes a sponsored event. The Venture Scout Unit have their own methods! ! !

You might like to know that this year we have to pay £4.60 for each member of the group included on our census returns, this amounts to about £450 and is calculated to make our Group Treasurer Mrs. Ann Dring guard the purse strings even more closely at this time of year.

The £4.60 paid is distributed as follows:-

Subscriptions to Headquarters (London)	£3.30
" " County Funds	40
" " District Funds	90
	4.60

continued:-

continued:-

the Gunna or the new 75' GRP Ketch the Donald Searle.

The cost - including transport to and from points of sailing and return and all victualling - is only £18.

You must be at least 15 years old on the day of departure. Likely cruise dates will not be before 1st July and will probably coincide with school holidays. Please let Skip know very quickly if you will like to make the most of this marvellous opportunity.

CUB SECTION

On Saturday 28th February, 1981, Anthony Wiseman, Neil Roffey and Andre Cormack represented the Pack at the District Cooking Competition held at the Hurst Green Scout Headquarters. Our team was placed 5th out of the eleven competing Packs, and gained the most points in the team-work section. Well done our three! The winners were the team from the Hurst Green Manor Pack.

The Pack's football team lost 5-2 to a strong team from Dormansland Pack on the 15th March, despite taking the lead twice during the first half with goals from Wayne McClean and a fine solo effect from Gary Dring.

Congratulations to Andrew Legg on being awarded his Bronze Arrow and to Wayne McClean on being presented with his Link Badge. The Pack is sorry to lose Wayne, who has been Senior Sixer and also a super captain of the football team. Best Wishes go with him to the Troop. Gary Dring takes over as Blue Sixer, with Daniel Clarke moving up as Second.

We give a very warm Cub welcome to our four newcomers who joined us earlier in March - Kurt Cormack, Karl Wicks, Alexander Godden and Nicholas Jones.

John Axtell
Akela

Sixers Outing to Brighton

On Wednesday 25th February, Akela took five of us out for the day (Gary Dring, Anthony Wiseman, Keith Peebles, Wayne McClean and Neil Roffey). We set out at 10a.m. bound for Brighton. When we got there we went to the amusement arcade for about 15 minutes, then on to a Joke Shop. After that we went to the Dolphinarium-aquarium. First we went to the shop then went to the seals looking at the fish on the way. When we reached the seals it was feeding time

continued:-

continued:-

and they were very active. We walked back through the aquarium to see the dolphin show, the show started at 12.30p.m. during the show the four dolphins did many tricks like singing happy birthday, jumping through hoops, taking fish from the trainers mouth and playing football. We made our way back through the aquarium and out on to the promenade. Next we went to a Wimpy Bar where we had lunch. After that we walked through the lanes of Brighton where there are many antique shops, and the grounds of the Pavillion. Next we went to a scout shop where we looked around the tents. After that we walked along the beach back to Akela's car. We went to the Booth Museum of Natural History where they had many stuffed birds.

On the way home we stopped at a Happy Eater for a drink and about 5.30p.m. we arrived home in South Godstone.

Neil Roffey
Red Sixer (cub)

Dear Reader,

In the latter part of 1980, I held a pioneering Camp so that scouts could try to obtain the pursuit badge. I was able to obtain the immense support from our amiable A.D.C. Carl Stewart in organising it.

Invitations went out at district level and we obtained 7 places for the Lingfield Troop, we also gave the invitation to an associate troop the 38th Croydon, whose G.S.L. Mick Hayes welcomed the chance for his lads and sent for 7 places, the remaining 12 places were filled by Lagham making a total of 26 scouts attending the camp. G.S.L. Mick Hayes asked if he and two of his S/Ls Allen and Trevor could officiate at the camp. We did not refuse the offer. The camp was held as usual at Broadstone Warren, and needless to say was a great success, as 8 scouts passed the course and obtained the badge, 3 from Croydon, 2 from Lingfield, and 3 from Lagham, they were A. Howland, S. Ayles and W. Jakes well done to all of them. The rest told me that they certainly learned a lot and also had a wonderful camp despite the rain. The D.C. Ken Bush was invited to visit us during the camp and was able to arrive in time to see the 8 finalists building their course, and was delighted with what he saw, and commended them for their achievement. We have since been invited to a week-end camp with the 38th Croydon Troop, allowing 12 places at Downe N.S. Camp near Biggin Hill Airport, the invite was the gesture of Mick Hayes to say 'Thank You' to Lagham in return for having them.

(Kim) Bill Twigg
Assistant Scout Leader.

SCOUTS CYCLOCROSS

On Sunday March 15th we entered four scouts into the Surrey Scouts cyclocross competition. It was held at Ashurst Camp site, Boxhill, Surrey and was organised by Pearson Cycles. The course was hard going, extremely muddy and in a number of places it was very steep, so we pushed our bikes almost as much as we rode them. We had to go round a three-quarter mile course twice which devastated every competitor. Almost every competitor except ourselves had special cyclo-cross bikes with reinforced wheels and frames, but this did not deter us much. The competitors, 90 in all were split into five age groups:

Age 11 1st P. Cuthew 2nd D° Turton 3rd S. Horsell
only six entrants entered this race.

Age 12 1st P° McLeod 2nd Robert Goff 3rd J° Allen
24 entrants entered this race including R. Goff of our Scouts who came second.

Age 13 1st G° Horsell 2nd P. Olfield 3rd S. Horsell
20 entrants.

Age 14 1st Andrew Duff 2nd P. Wyatt 3rd T. Austin
30 entrants in all

15 and 16 Names not taken of Winners

Martin Goff came 15th in the 14 year olds.
George Padeloppala (Greek) came 27 in the 14 year olds.

A.C.C. John Brown and Pro Cyclist Tony Bartlett presented the shields and medals to winners, and all entrants received certificates.

Andrew Duff had the fastest time of the day of 23 mins.

Scout.

TABLE TENNIS

The Groups run two table tennis teams in the East Grinstead League. The League has 6 divisions both Lagham teams are in the 6th. It is the first year of that division, previously known as the Junior Division. Lagham A squad comprises Andrew Howland, Warren Jakes, Stephen Ayles and David Walter. The B squad, all scouts, are Richard Goodall, Phillip Rebbeck, George Padelopoulos, Darrel Law and Tony Martin. The matches consist of 9 singles matches and 1 doubles match, each best of 3 games, there are 3 players in a team. The B team has been unsuccessful mainly due to the fact that they are playing, in most cases much older and more experienced players. They have lost all their matches picking up only 2 points.

continued:-

continued:-

Despite this in true scout spirit they are undaunted and have enjoyed playing and gained experience. The Team A are slightly more successful winning 5 drawing 2 and losing 9 matches. They have gained 25 points. The positions of the teams on 16th March are B team bottom 10th Place and A Team 8th place, both teams having two matches remaining - one against each other. Although the success of the teams has not been brilliant the A Team has an impressive doubles record in 12 matches D° Walter and A. Howland have won 9 and lost 3, they hope to capitalise on this in the end of season doubles tournament. Plans are now being made for the future. On 29th July an attempt on the World Record Non-Stop singles Marathon will be made by Andrew Howland and David Walter. This stands at 135 hours i.e. nearly 6 days. Plans are being made for this feat by the boys. That is their part - your part is easy. Anyone willing to assist in scoring games, adjudication and back up team please contact Andrew Howland tel. S°G° 3187 after 6pm. Adults are required also youngsters are also welcome to act as ball boys etc. It is hoped that there will be T.V. and national and local newspapers coverage. The boys will be looking for sponsors to donate a large sum to the RNIB

FROM THE UNIT

Some four years ago when the Unit started to grow we began to look for a name associated with the locality on which to hang our title. We chose Delucy, here is the connection.....

The Delucy Family of

Lagham Manor

Lagham Manor in twelfth and thirteenth centuries was referred to jointly with Marden Manor, as the Walkhampsted Estate. It was not until the fourteenth century that it took on a separate identity. Reginald Delucy who died in 1911 was to provide the lineage which came to control the Lagham Estate. Reginald was the brother of the renowned 'Richard Delucy the loyal' who served Henry II for twenty five years as chief of justice, and hence gained considerable prestige for the family. Reginald's son Richard inherited Walkhampstead in 1212, passing it on to his own son Richard upon his death in 1214. Under Richard's jr's jurisdiction the Estate was divided. The northern half was taken over by Odo de Dammartin, whilst the Southern Lagham portion through marriage to Richard's daughter Lucy Delucy, was acquired by Roger St. John.

Roger and his son John were great upholders of the baronial cause against Henry 11 and became involved in hostilities against the monarchy. As a consequence the manor at Lagham was fortified and much improved.

continued:-

continued:-

Upon Roger's death and John's imprisonment following capture in battle, the inheritance passed on to a younger son Roger and a grandson John. John was summoned to parliament between 1297 and 1316 as Baron St John of Lagham. He died in 1317 to be followed by a succession of Johns, the last one of which expired from the Black Death in 1349. He was followed by his son Roger, but the value of the Estate by this time had greatly deteriorated. The ravages of the Black Death reduced the population to such an extent that there was not enough labour to work the land or the mills. The taxes and dues payable to the Lord fell drastically as many tenants on the estate had died. As a consequence the 'castle' of the St. Johns was allowed to fall into neglect. The earth banks and wooden palisades began to decay.

In the fifteenth century, the Harcourt Family laid claim to the manor, and in 1509 it fell into the hands of Sir David Owen of Tudor descent. However, the prestige of the manor under the Delucy's and the St. Johns was never surpassed. By the seventeenth century it was nothing more than a small gentleman's house, now classified as a grade II listed building.

During April we'll be off to Dartmoor again for expeditions to gain Venture Scout and Queens Scout Awards - you'll understand therefore when you see some of the Unit looking tired after the Easter Holiday.

Our '100' club has got off to a good start
We'll publish the winning number each month
in this Newslatter..

Ray Fox
Venture Scout Leader

DATES

Family Camp

Takes place over the weekend 19th-21st June 1981. Lagham usually turn out several families for the enjoyable weekend at Broadstone Warren. Details are on the Notice Board in the HQ entrance hall or can be obtained from Akela.

Next editions to be in by Friday 24th April
