

LAGHAM NEWS

No. 9.

October 1981

SCOUT SECTION

On Sunday 18th October a district cross-country was held at Tilburstow Hill. Four troops other than ours (we entered two teams) competed.

The race was started at 10.30 and all the runners started fast. The difficult (and incredibly muddy!) COURSE twisted through South Park and ended at windy gap car park, which was where it had started.

3½ miles later, the leader came in, followed by the rest of the field.

The Individual winner came from the Godstone Troop. The team event was won by Lagham and team captain Martin Goff picked up the shield.

The Final Lagham places were:-

2nd Warren Jakes, 3rd 4th David Bowers, 5th Martin Goff, 8th Robert Goff, 9th Stephen Martin and 11th Richard Goodall.

All thanks to Martin Goff for organising the event.

Warren Jakes
(Scout)

COUNTY SWIMMING GALA

On Sunday the 25th of October about a dozen scouts went to Crawley to practice for the County swimming gala which is to be held at Guildford on the last day of October.

The Gala will be much more difficult than the ones we have previously been to so our fastest swimmers have been put in the team.

Robert Goff.
(Scout)

LAGHAM PRAM RACES 13th SEPT 1981

The Lagham Pram Races held on Sept 13th were a great success with a profit of nearly £800.

I would like to on behalf of the Fund Raising Committee to thank all the stall holders for working so hard in making the stalls look so attractive and for all the donations of bottles, cakes, prizes etc:- which made the day the success it was.

continued:-

continued:-

The winners were, William Way Trophy (under 11) 1st Godstone Cubs, 2nd Lagham Cubs, 3rd South Godstone Brownies, Wonham trophy (under 16) 1st Lagham Scouts, 2nd Godstone Scouts, 3rd R.N.T.C. East Grinstead, Ian Walker trophy (under 21) 1st Oxted Ventures, 2nd Delucy Ventures, 3rd R.N.T.C. East Grinstead.

Fairalls trophy for the best dressed Pram, Nannie and Baby was won by the Godstone St. Johns Ambulance.

During the afternoon the Tug of War raised a lot of interest with the winners being the Lagham Cubs parents the runners up being the Delucy Venture Unit.

The lucky programme was won by Shirley Harding, of the Delucy Venture Scouts.

BARN DANCE 17th OCTOBER

As usual every year a Barn Dance is held at the Scout Headquarters. An enormous amount of people came and thoroughly enjoyed themselves, young and old alike.

The Venture Scouts provided Hot Dogs and Cheese Rolls. David Jex, our music man was there as always, giving us extra energy we did not possess.

Well after a very enjoyable evening, everybody went home about a quarter to 12, feeling very exhausted, but laughing. It proved a most enjoyable and successful evening.

Celia Brown
Venture Scout.

FROM THE SCOUT SECTION

On Tuesday 27th September five Lagham SCOUTS went to the Sovereign Youth Centre to play in the Reigate Under 21 five-a-side Competition. The scouts were Andrew Duff, Neil Rhodes, Richard Goodall, Gavin Chippington and George Padelopolous (apologies for probably spelling that wrong). When they arrived their hearts sank as they noticed that the opposition were bigger and older. But the first two games went very well even though they lost by the odd goal in five on each occasion. The remaining games didn't go as well losing, 5-1, 5-1, 6-2,

However the scouts enjoyed themselves mainly because they had a portion of chips each afterwards.

Gavin Chippington.
Assistant Patrol Leader.

FROM SKIP

The troop have been very busy over the last few weeks but the last week of October was particularly hectic. Apart from a normal troop meeting (during which we are presently running four badge course) we have had two table tennis matches (a win and a draw), two teams in the Riegate Youth Association 5 - a-side football competition (one in the final yet to be played) and two teams in the district First Aid Competition.

We also, during the same week represented our district in the County Swimming Gala at Guildford and both Tony Martin and Gavin Chippington gained places in the finals of their events. Congratulations to them both. Tony came 4th in the breast-stroke and Gavin 6th in the freestyle. We also had with us Adrian King of Blindley Heath troop whom we welcomed to our team as a reserve.

The examination for the First Aid Badge takes place on November 20th and the Firemans Badge on November 11th. We are delighted to have had the District Fellowship and Miss Catlin run these courses for us.

UNIFORM

The District Commissioner mentions the importance of meticulous uniforms when appearing in public. I am sure that everyone agrees. Perhaps this is a good time for me to quote him

" A

" As we are members of a uniformed organisation we should be careful to maintain standards !

Would Scouts please clean their hats and ensure that tally bands are secured in place with a stitch or two!!!

All sections, cubs, scouts, and ventures cubs, when on parades or in public or scouting events where activity dress is not the norm, should wear full uniform including trousers (i.e. not jeans) and shoes (not trainers etc.). Of course, the section leaders will always advise when full uniform need not be worn.

Skip.

FROM THE UNIT

The latest batch of Unit meetings have been interesting, starting with the Expedition presentation, where we showed the slides from Eire together with some well hundreds of photographs and some souvenirs, our guests managed to consume eighteen litres of wine - well we helped out a bit.

Debates at Unit meetings haven't always gone down too well in the past, but recently we had a debate on Euphenasia, and behold the unit got really carried away!! Well done Shirley and Jen.

Andy Bush managed to bring everybody down to earth the following week showing off his talents at Cake decorating

continued:-

continued:-

and he tells me that a couple of the unit are decorating a cake for our Christmas Dinner- which is to count towards their Venture Scout Award.

We also went Ice Skating at Streatham, where everyone managed to enjoy themselves and keep quite dry.

Recently we had a speaker along to talk about Communism. He was an absolutely amazing person- he was a defector from Czechoslovakia with some incredible stories.

RAY.

APPEAL

The unit are organising a fund raising event in the New Year and would ask anyone to collect ring-can pulls for us. WE NEED HUNDREDS, so start drinking collecting for us please.

Apology.

I should like to apologise for the un-professional look to the magazine this month, but this time I had to do the typing as well as the printing, unfortunately as I have never typed before I'm afraid it took rather longer than usual (and not so well) to get it finished, as one finger power is not very speedy!!!

Clare Harper.
Venture Scout.
