CORRECTION

In last months News-letter some words got left out of the notes on the National Cub Scout Tea-Making Fortnight, the sentence "The aim of this event is to teach Cubs how to have some Fun" should have read "The aim of this event is to teach Cubs how to use household equipment safely and responsibly and at the same time to have some fun." Apologies to all readers who thought our Cubs have to be taught how to enjoy themselves!

SCOUT SECTION

1. New Assistant P.L.'s

Last month we announced the names of our new P.L.'s, the following week, - 21st May the following appointments as Assistant Patrol Leaders came into effect:-

Grant Stretch
Phil Rebbeck
Peter James
Peter Padelopoulos
Chris Bye
Paul Dring

Their responsibility is to work with the Patrol Leader for the benefit of their patrols and to take charge in the absence of the P.L.

We wish them all well in their new appointments and hope that they will do well and really assist the patrol leaders in their very important task.

2. St. Stephen's May Fayre

The troop were again asked to perform the traditional annual event of erecting and manning an Assault Course at the school May Fayre. Kim together with a patrol of scouts put up the course on the night of Friday 1st May and Skip, Coxsun and a number of other scouts supervised it's use on Saturday afternoon.

The course was very popular and a number of certificates were awarded to boys and girls who came first and second in their age groups.

Dismantling the course was done quickly and efficiently by a hard-working group of scout volunteers with Skip and Coxsun and we rounded off a successful afternoon with a game of French Cricket in the H.Q. We were also able to help the Toddlers Group with moving their equipment.

ONE NIGHT

On Friday 7th May five Scouts camped the night at the back of the Scout hut. First we put up the tents a few times and lit a fire on which we cooked beans, bacon and sausages. It was a good fire and kept going till eleven o'clock when we put it out. It was about two-thirty am when we all fell asleep and did not wake up until six o'clock. For breakfast we had soup cooked on a primus and cornflakes. We had all left the Scout hut by eight o'clock (we left the tents up to let the dew dry.) We all had a good time and we were - Gary Dring, Anthony Wiseman, Neil Roffey, Kieth Peebles and Wayne McClean.

4. London Sailing Project

Patrol Leaders Paul James and Nigel King will be the two sea scouts in the crew of the "GUNNA" from 14th - 20th August. The "GUNNA" is a 48½ foot Ketch and carries a Skipper, two Mates and ten boys aged between 15 and 16½ as crew. The crew are drawn from pairs of boys from youth organisations of every kind and Paul and Nigel will have their fellow crewmen, boys from Ardale, Overton Youth, Tiverton School and London SCC.

They commence sailing in the Solent Area and progress further afield, staying in British Coastal Waters, as they gain more knowledge and skill. The aim is to acquire those attributes of a seaman, namely a sense of responsibility, resourcefulness and teamwork which will help them throughout their lives.

FROM THE UNIT

Congratulations to Kevin Harding, Kay Poulton, Andy Edwards, and David Walter on winning the County Venture Scout Cooking Competition held earlier this month. Despite thunder and lightning and a continuous downpour of rain they produced a magnificent, mouth-watering menu comprising of:-

Cream of Mushroom Soup
Fish in Parsley Sauce
Celery, Carrots with Saute Potatoes
Rhubarb and Custard

One thing is for sure, with so many budding cooks Delucy will never be hungry!!
