

LAGHAM NEWS

NO. 1

February 1981

CONGRATULATIONS to Delucy Venture Scout Unit for taking up the task of producing this News Letter I wish them success in this venture, it could prove to be the missing link we as a group have been looking for!

We in the Lagham Scout Group pride ourselves in being a very successful and happy group, with an ever increasing number of new members and expanding activities, to maintain this highly popular and happy group it requires the support of Parents and friends, so why not LEND A HAND and support the Leaders or even help them, there is always room for you somewhere so you to can have some of the fun, giving can be as much fun as receiving when one joins Lagham support team.

SCOUT CAMP 1981

A word to skip, A note from Bosun,
With lots of zip our camp is chosen
Wales was mentioned some time ago,
so to check the site soon we'll go.
Sheltered by the Brecon Beacon
Just right to spend a super week on,
Our camp site on a farm is dandy
water there is very handy,
canoeing and pulling is something we shall
do, on the Monmouth and Brecon canal
sailing also we'll do of course
on the lovely lake Llangorse,
Scope for pioneering is there for Kim,
the leaders all, will need lots of Vim.
Whit week in May, the time as ever,
please have a word with the clerk of the weather.

A VISIT TO THE BOAT SHOW

We met at the Scout Hut on Sunday 11th January at 11.30 am. Once we had all assembled we got into the Mini bus and drove for quite some time until we reached the River Thames. We ate our lunch on the southern side of the Thames near to Chelsea Bridge. After a half hour stop we all got back into the Minibus and drove on to Earls Court but found that the car park was full; however Skip had a word with the Car Park Attendant who allowed us to leave our bus in the private car park:

VISIT TO THE BOAT SHOW Continued:

Once we were inside Earls Court itself Skip told us that we had to go round in groups of two or more and that we were to meet back at the entrance at 3.30 pm. Simon Weaver-Flack, my Brother and I wandered around looking at the boats and going inside those for which it was not necessary to make an appointment.

Although the boats were not very large inside they were very neat and a lot of fittings were packed into a small space. We concentrated on looking at the Motor Yachts and the time passed quickly and soon it was 3.30pm and time to meet Skip. Once back at the entrance all the P.O.'s and a few other Scouts went up to the third floor, and on the way Skip told us about a boat which the Scouts are thinking of buying. Then Skip showed us the boat which is made of fibreglass and is quite like a mirror. It is quite adaptable to waters and had a metal stern for motors to be fitted on, and also the mast could be taken off so that you could use it as a rowing boat or a motor boat. After we had inspected the boat some people who were selling the boats took a photo of us for publicity. We all thought the boat was good value, and then we went off again in small groups to look at the motor yachts and the rest of the show. At 5.30 we made our way to the minibus. We had all thoroughly enjoyed ourselves and thought it was definitely a good day out.

We did in fact buy the boat 'Dabbler' and Skip collected it from Earls Court on the last day of the show.

CUB SCOUT SECTION PERSONNEL

At the beginning of 1981 we lost an Akela and a Rama and gained an Akela and a Bagheera! For those not familiar with the Jungle-Book names given to Cub Scouters, Eileen Walters was Cub Scout leader (Akela) until stepping down after a number of very successful years. Thankfully she is still with the pack as an assistant Cub Scout leader and she is now known as Bagheera. John Axtell (Rama) has now taken over in Eileen's place as Akela.

Jill Burchett has recently joined the team from the Venture Scouts and is known to the Cubs as Hathi. Mandy Prescott is also helping out with the Pack but has yet to be officially 'named'.

There are 25 Cub Scouts at present in the Pack and they are divided into four 'Sixers'. Blue Sixer (and the Packs senior sixer) is Wayne McClean, Red Sixer is Neil Roffey, Green Sixer is Anthony Wiseman, and Yellow Sixer is Keith Peebles. The Sixers are assisted by their seconds

who are Gary Dring, Christopher Rebbeck, Stephen Strudwick and Russell Knowles.

During the past months progress badges have been awarded to:-

Wayne McClean (Gold Arrow)
Keith Peebles (Silver Arrow)
Russell Knowles (Bronze Arrow)
Andre Cormack (Bronze Arrow)

Anthony Wiseman (Silver Arrow)
Joseph Field (Bronze Arrow)
Daniel Clarke (Bronze Arrow)

Daniel Walker and Mark King joined the Pack in November and were awarded their Cub Scout Badges on 12th January.

FROM THE UNIT

January has been a hectic month for the Unit. New Years day we began with a game of football against the Cubs - somehow it turned out as a draw.

The following weekend we held our annual New Years night exercise and get-together - after getting some lost we eventually got together before turning in at 4 am.

Plenty of time has been spent preparing for the Parents and Senior Citizens Evening. Beware if you see any of the Unit using the roads, at a recent quiz on the highway code there were more questions 'passed' than answered.

We welcome Celia Brown and Philip Clarke to the Unit this month, which still leaves us looking for yet more fellas.

You'll be excited? to know I'm sure, that the Unit's Expedition this year will be to Eire, during August.

Ray Fox
Venture Scout Leader.

FUND RAISING COMMITTEE

Dates to remember:-

Jumble Sale 14.2.81

Valentines Dance 21.2.81 the charge will be £1.75 including buffet, time 7.45 for 8pm.

Pancake Race 7.3.81 to be notified.

CATERING

As the group grows so do the events which have to be catered for i.e. the annual Barn Dance, which approximately 100 people attended. Hot dogs, bread cheese & pickle were available. (Thanks to the De Lucy Unit for doing the cooking and serving). Also we have the jumble sales where we make tea for the customers but chiefly for the willing band of helpers. Then we have parents evening, also the senior citizens party. Thanks to all the parents that gave so generously, food etc. Next on the venue now is the St. Valentines dance, so you can see we have quite a busy time. Many thanks to the gang that are always ready to help.

CUB SCOUT FOOTBALL 1980/1

Although this season the Cubs football team has not achieved the same success as in previous seasons, this has not been because of lack of effort or enthusiasm. Last seasons team, winners of both the East Surrey Cub Scout District League and the East Surrey C°S° Knockout Cup, virtually disappeared due to the older boys going up to the Scouts and to others moving out of the village. The experienced players have therefore been replaced largely by much younger and physically less stronger ones. These new footballers are certainly as keen as their predecessors however, and have already drawn appreciative comments from leaders of the other packs on their 'never give up' spirit. We are building up a team again and it is great to know that most of this seasons side will be eligible to play next season and quite a few will even be able to play the season after that.

So far this season we have played 13 games, 4 in the East Surrey C°S° District team, 2 in the District Cup competitions and 7 friendly matches. Results are as follows:-

14.9.80 Friendly V OHGU Albion (Home) Won 6-3
21.9.80 Friendly V OHGU Albion (Away) Lost 2-4
4.10.80 Bletchingly Pack (Away) friendly Drew 2-2
12.10.80 League V Lingfield Apollo Pack (Home)
19.10.80 Cup V Lingfield Oak Pack (Home) Lost 0-10
26.10.80 Dormansland Pack (Away) lost 2-8 Friendly
8.11.80 Friendly V Bletchingly Pack (Home) lost 2-3
16.11.80 Cup V Lingfield Oak Pack (away) lost 1-11
22.11.80 Friendly V 6th East Grinstead Pack (away) won 2-1
30.11.80 League V Hedgecourt Pack (away) lost 0-6
7.12.80 Friendly V Blindley Heath Pack (Home) lost 2-4
10.1.81 Friendly V Oxted Acorn/Oak Pack (away) lost 2-4
18.1.81 League V Lingfield Oak Pack (Home) lost 1-7

Our team captain, Wayne McClean is the top goal scorer so far with 11 goals. Anthony Wiseman has scored 5 goals this is quite good considering he plays in goal some matches. Wayne and Neil Roffey were selected to represent

the East Surrey District and have already played one game, a friendly against an Oxted and Hurst Green United side which was narrowly lost.

GANG SHOW

Remember the gang show back in December well (Chil) Hazel Rebbeck tells the story of the rhyme she told of the Lambton Worm.

A further tale of the Tail of the Lambton Worm

by courtesy of 'A Northumbrian at large' by Nancy Ridley

County Durham abounds in legends. The most famous being The Lambton Worm. It is the usual story of a sprig of the nobility being shipped overseas as a punishment for sowing his wild oats. In this case the 'Hero' was a Lambton and he had committed the terrible crime of fishing in the Wear one Sunday. Off Lambton was sent to the Holy Land to 'fight in foreign wars'. During his absence a terrible worm made its appearance on Wearside. It killed the sheep and cattle sometimes even killing children, ruining the crops and doing all manner of the dreadful deeds. When the worm was sated with its gruesome activities it 'lapped' (wrapped) its tail 'ten times round Penshaw Hill. The marks of its tail can still be seen today.

to be continued in next
months News Letter.

PAUSE FOR THOUGHT

An old preacher was asked by his followers when a man ought to make his peace with God. After thinking for a moment he said 'A man ought to make his peace with God one minute before he dies'.

'But Master', they cried, 'we have no idea when we shall die!'

'Exactly', said the old man, 'So do it now!'

We hope you find this News Letter interesting and that all Sections of the group will now start to think of items for the next edition. Closing date for entries in next months News Letter is February 23rd. 1981.
