

SURREY SCOUT

APRIL, 1980

No. 394

County Commissioner

Shortly after the March edition of "Surrey Scout" had gone to press, the sad news was received that Major-General E.H. Goulburn, D.S.O., D.L., had died suddenly on 15th February at the age of 76.

Although he had always welcomed Scouts to camp at his Betchworth Estate, General Goulburn's own involvement with Scouting started in earnest some 7 years ago when, despite a very active public life and a wide range of time consuming interests, he accepted an invitation to become President of the Surrey Venture Scout Rifle Club, which is affiliated to the National Rifle Association. He took a close interest in the affairs of the Club and whenever health permitted, made a point of attending the Club's Annual Shoot at Bisley at which the medals given to the prize winners were donated by him. It gave him great pleasure to note the increasing membership of the Club and the steady improvement in marksmanship.

He became a Vice-President of the Surrey Scout Association in 1978 and followed closely the development of Scouting in the County as a whole.

In Scouting, as in the many other national and local organisations with which he was associated, General Goulburn will be sorely missed. I am sure that all readers of "Surrey Scout" who had the privilege of knowing him will join me in expressing our condolences to his relatives including, especially, our President, Lord Hamilton.

In past editions of "Surrey Scout" I have commented from time to time on the vast number of people who are involved in Scouting in one way or another. On one occasion some years back, I suggested that the visible uniformed element was like the tip of an iceberg representing a mere one-tenth of the total mass. I still think that is about right especially when one considers the number of parents, husbands, wives, administrators, instructors, badge examiners, supporters, experts, and all other friends and relatives who get roped in from time to time on a wide variety of Scouting activities.

In round numbers this means that about 1 out of every 6 people throughout the County are in some way involved with the Movement. This is quite fantastic when one considers that the population of Surrey is just short of a million people!

We are shortly approaching the Annual General Meeting season and I hope that the opportunity will be taken at all levels - Group, District and indeed County as well - to express our warmest thanks not only to all Leaders and Instructors but also to those masses of often unseen helpers without whose active support Scouting could not continue. We must never take such loyalty to the Movement for granted and a timely word of appreciation goes a very long way to ensuring continued support.

From time to time we are able to go further and mark such appreciation in a special way by bestowing one of the Scouting Awards on some of those who have made an outstanding contribution to Scouting over the years. In celebrating St. George's Day we take the opportunity of recognising particularly distinguished services. On behalf of the entire County therefore, I offer our warmest congratulations to those whose names are listed in this edition of "Surrey Scout" as recipients of the 1980 St. George's Day Awards and to thank them for all that they have done, and will undoubtedly continue to do, for Scouting in Surrey.

Finally, I am very pleased to announce that the County Secretariat team has been strengthened by the appointment of Andrew Tatham as an Assistant County Secretary. Currently, Andrew is Secretary of the Surrey Scout and Guide Mountaineering Club and is an Assistant Scout Leader with 2nd Ashted. He will be working closely with Ray Sabin, the County Secretary, in the run up to the County Annual General Meeting, which this year will be held at Farnham, on Friday, 13th June.

Cub Scouts

Cub Country

This project is now complete and has been a spectacular success. The national target was £50,000 to fund seeds for the self sufficiency scheme, any money over was then to be used by Save the Children Fund to provide health clinics. The amount received at Gilwell Park is now over £150,000 which will not only provide the £50,000 required for the original idea but will also run a health clinic at a cost of £50,000 per annum for two years.

Surrey's contribution to the fund amounted to £5,437.78, being the second largest total in the County. The money was raised in many different way, e.g. A Gurka Fete in Guildford, a 2p Fair in Staines, a collection of Ring Pulls off cans by Cubs of 4th Walton Pack A, a Mystery Auction in Surrey Heath. Sponsoring was also popular and this included Cram a Matchbox by Cubs of Oatlands Sir Richards

Pack, French Knitting in Shepperton, Welly Throwing in Caterham, Sunflowers in Runnymede and in all of this the SS Peter and Paul, Godalming Cubs managed to find time to carry a 10 foot high teddy bear, up and down Guildford High Street, which was eventually auctioned in aid of the Cambodian refugees in Thailand.

1979 was certainly a Cub year of service for others and I congratulate you for your efforts and thank you from the bottom of my heart.

Who said Cubs aren't Magic too!

Cub Meet 80

By the time you read this, all Packs attending "Cub Meet 80" should have received their final booking form. If you haven't, please give me a ring on 01-393 3527. Please reply as soon as possible, not later than 17th May.

STEVE HALL

Leader Training

The past 2 months have seen well attended Basic courses for all sections including G.S.L.s who travelled from all parts of the County to Coulsdon as the first stage of their progression to a Wood Badge. As in the past years, the County Training Team has offered courses anywhere that there was sufficient demand thus ensuring that sooner or later any district can have a local course. It is significant that a wide range of districts seem able to sustain a local course for one category of Leader or another at quite regular intervals. It is also significant that the past tendency for Leaders to travel anything up to 30 miles each way to attend the course they need has not changed despite increased travel costs. Compared with distances travelled by Leaders in other parts of the country our journey problems are small indeed, consider our friends in the North of England,

Wales, and Scotland, who think nothing of a 6 hour journey to do their Basic. The last of ours before the autumn are set out below, hurry if you need one.

In addition to the Advanced courses in our own area which are set out below, do not forget those offered by other Counties which were listed in the February edition of "Scouting" and, of course, Gilwell offers a range of one week residential courses advertised in the October 1979 edition.

In order to assess the need for another of our non-residential series of one day sessions for the Advanced training of Cub Scout Leaders in the autumn, please contact Eric Daniel who is anxious to establish practical dates and venue.

The names and addresses of all training team members are in the County Directory.

County Chaplain

Over the last weekend in February, a couple of Sunday papers got themselves worked up over a small book called "Pocket Praise". The cause of the fuss was phrases like:

'Parent God, glorify us ...'

It is true there are a number of shocks like that in the book - a Litany that begins 'From fatty degeneration of the heart', and a Benedicite that includes 'O ye conservation pressure groups ... bless ye the Lord' for example. But it is a book published by the Youth Unit of the British Council of Churches for the youth departments of all our churches - for use by young people. At the least, these startling phrases should be enough to get Venture Scouts - and older Scouts too - arguing fairly strongly about prayer and worship ... and that is well worth doing.

However, it has a lot more to commend it than that. It is designed to fit in the back pocket of a pair of jeans, although how long the binding would stand that treatment, I am not sure! It contains an excellent set of prayers - old and new - which include a real recognition of what may excite or worry young people. These range from 'Let us give thanks for falling in love' and 'We give thanks for badges which

enable us to declare our allegiance' to 'When we fail an examination', and 'We intercede for all who are about to experience a 'first', first day in a new job ...'. Another section includes thirty-two passages 'worth thinking about' which could well play a part in informal worship. The biggest section has just under one hundred hymns and songs. Again there is a good balance of old and new material. This ranges from, 'O sacred head' through modern pops like 'Lord of the Dance' and 'Sing hosanna' to ones I have never heard before, like 'Life is great, so sing about it' and 'Bridge a river, span a gorge'.

Altogether, it is an invitation to experiment, to take risks, to make mistakes. That is a process we take for granted in any Scout programme. This book can be an important tool for carrying out the same process in opening up the whole duty to God aspect of our training, and helping young people to grow spiritually.

The best way to get 'Pocket Praise' is to order it directly from the British Council of Churches Youth Department, 2 Eaton Gate, London SW1W 9BL. A single copy is 65p., including postage; ten copies are £5.00, including postage.

KEITH HUXLEY

The Buck Stops Here

With the approach of the summer expedition season it is perhaps timely to remind every Scouter that ALL activities in mountain and moorland areas must have the express permission of your D.C. This applies not only to the obvious mountainous areas such as Snowdonia or the Lake District but also Exmoor, the Peak District, etc. The Safety Rules laid down in POR Part 2 place the responsibility for authorising such activities on the D.C. The D.C. may choose to delegate his powers to his District Mountaineering Adviser or possibly another Scouter but this does not absolve him of the ultimate responsibility.

Only 3 Districts have their own advisers and I am the only County adviser yet very few Scouters seek my advice on plans to visit mountainous areas. Splendid men that they are, I do not believe that most D.C.s have the necessary experience to authorise mountain activities which leads me to suspect that a lot of Scouters are organising such activities without reference to their D.C. Whether or not you agree with

the Safety Rules of the Scout Association you are required to abide by them and I would ask Scouters to put all proposals for mountain activities to their D.C. very early in the planning stage.

D.C.s may authorise activities but if they are in any doubt I would ask them to contact myself or one of the District Advisers in East Surrey, Horley or Surrey Heath. All addresses are in the County Directory. If any D.C. is contemplating the appointment of a District Adviser could I ask that he contacts myself before making any approach to the person concerned.

Mountaineering Course

A weekend course on Mountain Survival will take place on 20th-22nd June, 1980. The course will probably be in North Wales, and cost about £15. The lower age limit is 18 and those attending should have, at least, some previous experience in the hills although you are not expected to be super-experienced. Those wanting further information and application forms should apply to: Joe Waters, 4 Hurst Road, Horley, Surrey. Tel: Horley 74792.

Surrey Scout Regatta 1980

The pulling/canoeing section of this regatta will be held at Thorpe Park, Chertsey on Sunday, 11th May. Entry is not limited to Sea Scouts but is open to Surrey Scouts with an interest in water activities.

Thorpe is a new venue for this event and offers more attractions for both competitors and spectators so why not come along for the day even if you cannot compete?

Entry forms and further details can be obtained from Dave Ayres, 72, Mortimer Crescent, Worcester Park, Surrey. Telephone 01-330 3874. Closing date for entries is 12th April, so don't leave it too late.
