

## EAST SURREY DISTRICT NEWSLETTER

NOTICES, NEWS AND VIEWS - FEBRUARY 1986

### THE DISTRICT COMMISSIONER

My apologies that there was no January edition of the Newsletter, however, a belated wish for 1986 to all readers and especially to those Groups and the whole of the Cub Scout Section celebrating anniversaries.

A plan for the District is either with this mailing or you should shortly receive a copy. It has taken quite a lot of time to formulate but should not take more than about ten minutes to read. Will you give it these few minutes for me? I hope to be in contact with GSL's as quickly as possible to clarify any particular issues and to offer both support material and District support where possible but we will only gather momentum if everyone participates a little.

I am pleased to advise you that Mrs Christine Norris has agreed to become the Duke of Edinburgh's Award Scheme Advisor to the District. Christine is also AVSL at Oxted and a holder of the Gold Award. SL's and VSL's have been requested to supply some basic preliminary information in order that Christine can plan the support required and I will be most grateful if all Scout and Venture Scout leaders will help us out by dealing with this straight away.

An early reminder please with regard to the Permission to Camp procedures and to boat inspections.

If any Senior Patrol Leader or member of the P.L.C. would like to be sure of an early copy of this Newsletter, phone me (Tatsfield 77744) with your address and I will have it posted to you in future.

### THE DISTRICT PANTOMIME

Congratulations to all participants in Little Red Riding Hood on a most professional and enjoyable show. An additional challenge on Saturday afternoon when all the power went off but the show went on calls for a proficiency badge or two. Justly deserved Thanks Badges were awarded after the Saturday evening show to Dame Barry Hillier and to Janet and David Smith for having provided the lighting for many productions.

### CHRISTMAS GOOD TURN

As a District, we were able to hand over a little in excess of £550 in response to the County Commissioner's pre-Christmas appeal in aid of promotion of Scouting for the handicapped. Well done everyone but supreme congratulations to Hurst Green Cubs who raised £300 carol singing.

## OPERATION JULIET

Dear District Commissioner,

I've been volunteered by my Scout Leader (Rikki) to write a brief letter to you about the District Night Hike, (Operation Juliet).

Clothing for the hike was essential. It had to be warm and waterproof. There were lots of other pieces of equipment including map and map case, waterproof pen, sleeping bag, mug, survival bag, torch etc. Once we had all this gear and were sorted into teams we were ready.

After arriving at the rather small Scout HQ we laid out our kit and were checked by the Venture Scouts, then told the rules and scoring.

We next found ourselves jumping aboard a double decker bus which later seemed to be a problem. Our group and another were dropped off on a green. We had already planned out our route and we realised it wasn't very far but the climbing through the woods, barbed wire, ditches and brambles, made it longer. During the night the words "there's a car" which made panic throughout all of our team and was followed by the snapping of twigs and rustle of leaves as the team hid.

Eventually we arrived at the bus and sat down. Not moving for so long we began to get cold and welcomed our sleeping bags, only to be woken half an hour later to bump start the bus.

All in all it was a great night and I hope to be going on next years one.

Yours sincerely,

Alastair Daly - Hedgecourt.

## VIEWPOINTS - continued.....

COURTESY - Prior to a revision of the Scout Law, the 5th item used to be "A Scout is Courteous" - this is now within the third law, "A Scout is friendly and considerate". Scoutmasters used to explain the concept of 'courtesy' with - give up your seat on the bus to elderly folk. The least we can do now is to say - NEVER let anyone down without, at least, an advanced apology.

## MEETINGS

For every Section Meeting there always seems to be at least two committee meetings, eg., Unit Exec, Group Scouters, District Leaders, etc..... - Perhaps if we all made a resolution to use the post more, we could cut out some of these.

## EXAMPLE

At various meetings I have been to recently, a number of adults have smoked throughout even though Scouts and Venture Scouts have been present. Should such an example be set?
