Dear John

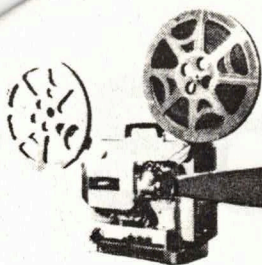

4/4/86

- ① Please find enclosed copies of correspondence with Malcolm Powell re group photograph on Sunday 8th June.
- ② With regard to the Scouts Own Service on the same day, I suggest this commences at 10.15 am. I have asked Marion Simpson if she would be prepared to give the address — she said she would. Please let me know if both items are satisfactory to you and Ray Fox.
- ③ I have contacted both Philip and Howard as agreed. They both agree that Friday 18th April is better for them for their enrollment into the Troop. I have also advised the four Cubs that this date will be their

first visit to the Troop for their
Link Badge. The four cubs involved
are David Cumberbatch, Alexis Cormack,
Robert Batchelor and Iain Thomas.

Yours sincerely

CSL.

John Axtell, Esq.,

South Godstone, Sy.

Dear Mr Axtell,

I thank you for your kind letter dated 31st ultimo, confirming the arrangements made by Mrs E. Walter for a combined Scouts Group photograph to be taken in colour on the morning of Sunday, June 8th next, at approx. 11.00.a.m.

I confirm my availability for the date/time, and will of course attend before this to ensure all seating and required furniture is correctly sited and in place.

and Do please aim at building the group UPWARDS as far as safely possible. The less wide the group, the larger the faces will be. I suggest you aim at about maximum of 21 chairs in the front row, and making up FIVE rows. (eg. Cubs & beavers sitting cross-legged on the ground, Senior Officers, Leaders, etc, seated, tall boys standing on ground immediatly behind chairs, a row of chairs for medium heights to stand on, row of STRONG tables to stand on, plus another row of chairs ON the rear of the tables). We may be able to "slot-in" the odd larger boy between standing rows if the fifth rear row proves too dangerous! Anyway, I will be there in good time to supervise the setting up.

I confirm the price of \$5.00 for a colour print 'unmounted' size approx. 15" x 8", or a mounted copy (for FRAMING), about 15" x 6" with a surround making it up to about 15 1/2" x 9" overall (we can supply FRAMES for the latter at VERY reasonable price!)

I trust the morning will be a fine one..if any doubt on this, I will 'phone you early on the Sunday morning before 11am.

Thanking you again for the booking.

Yours sincerely,

Malcolm Powell.
