

CUB SECTION- Future Activities

The cubs are all looking forward to Christmas. Just before Christmas some cubs are going to Queen Victoria hospital in East Grinstead to sing carols to the old people.

We are going to challenge the venture unit to a football match on New Years Day at the school. The next day we have our Christmas party, with competitions, games, and lots to eat and drink.

Later on in January we have a parents evening and a senior citizens evening when we will be entertaining parents and old people at the scout hut.

CUB SECTION NEWS

Snow is falling as I write this article - it seems a very long time since those glorious sunny days at South Park in August!

As usual the Cub Scouts have been busy this "term" with various outings, activities and sports in addition to the normal (?) Monday night pack meetings.

During September about half of the pack went to a Cub Scout Day at Walton Firs and joined with about 1,000 or so cubs from other packs in the competition and activities put on for us. We also took part in our own Pram Race and Fete and finished second, in our section behind our friends and rivals from Godstone. On a very very wet Saturday morning Jason McClean and Kevin Rhodes gave up their football to represent the pack in the District Fishing Competition at Bay Pond, Godstone. They caught two fish between them and finished second in the team competition with Jason having caught the bigger fish of the two, coming joint third in the individual event.

October saw the Tandridge Youth Association Conker Competition which took place in the Godstone Scout HQ, instead of on the Green because of the wet weather. Godstone pack won the team event and a cub from Warlingham won the individual competition. Our two teams did quite well, especially Lee Douglas and Stephen Nixon, but our efforts were not enough to challenge the eventual winners. However, in the Plate competition (a competition for the first round losers) we swept the board with Jason McClean and Andrew Legg conkering (!) all, to reach the final - Jason eventually won, but both received medals.

Later in the month we went to see "Cub Capers" at Lingfield. This was a cub show put on by the packs of the District, - we had not taken part because of our own Gang Show (subsequently postponed from the original date - so much for my forward planning!)

1982 THE YEAR OF THE SCOUT

To celebrate Scouting's 75th Anniversary, 1982 will be known as the Year of the Scout. The cubs are looking forward to wearing the colourful Badge, issued to commemorate the year, and to participate in all the exciting activities involved. If any parent (male or female) thinks that they could help the Pack - or indeed any of the three Sections, in any way during the coming year, I would be very pleased to hear from them.

The Cubs and Scouters (Akela, Baghera, Chil, Kaa, Hatni, and Rikki) all wish you a very Happy Christmas and New Year.

FROM THE UNIT

Lots of unit activity just recently, preparing for our Annual Dinner - making decorations, menu's, working out how much food and drink will be consumed etc., etc..

We have BEEN PREPARED however, due to a series of talks Andy Bush has given, about cake decorating, table decorating and the like, it's bound to be good.

Soon after, on the 1st of January we have accepted the challenge from the cubs of a football match! Now what could be better for blowing away those New Year foggy heads than xto come and cheer from the sidelines? See you there for a 2pm kick-off at the school.

We will celebrate the New Year as usual on the 2/3 at a little outside party.

It's been a hectic year and next year seems to be going the same way. Some of the programme for the next tow months will follow.
