Totals	251	8171	5773	199	899	1733	409	506	17690	+24	14873
Last Year	249	8171	5836	167	850	1725	370	472	17666		

Districts are listed in order of size by total membership.

Column keys:

- A Number of Groups and separately registered Venture Scout Units.
- B Number of Cub Scouts.
- C Number of Scouts.
- D Number of female Venture Scouts.
- E Number of male Venture Scouts.
- F Number of Group Scouters including G.S.L.s.
- G Number of Instructors including Cub Scout Instructors.
- H Number of District Staff.
- J Total Membership.
- K Total Membership compared with last year.
- L Total Membership as recorded in 1970 Census.

County Commissioner

Once again the season of Annual General Meetings is almost over. We have taken stock of the results for the year ended 31st March 1980 at all levels in terms of revenue and expenditure, balance sheets, census figures, badges and awards gained.

From what I have seen at the time of writing, the picture throughout the County looks pretty healthy. It is particularly pleasing to note that there is a slight increase in overall census figures, notably in the Venture Scout Section.

But, as Members of the County Team and I have been pointing out at District A.G.M.s, is it really in such terms as these that we should be measuring whether or not Scouting is being successful? The real test, which is difficult to quantify, is whether Scouting in Groups throughout the County is measuring up to the ideals of Scouting as set out in the Aims and Methods of the Association. These set the standard:-

"The Aim of the Scout Association is to encourage the physical, mental and spiritual development of young people so that they may take a constructive place in society. The Method of achieving the Aim of the Association is by providing an enjoyable and attractive scheme of progressive training, based upon the Scout Promise and Law and guided by adult leadership".

The question we have to ask ourselves constantly is whether what we are doing in Scouting at Pack, Troop, Unit, District or County level is measuring up to the standard imposed by the Aims and Methods of the Association? In particular, is everything we undertake based upon the Scout Promise and Law? Just what sort of guidance do we give? Is each one of us seen to live out the Law and Promise? Young people are quick to detect insincerity so what we preach we must surely practice!

This is particularly true when we think of the religious policy of the Movement. Rule 9 of P.O.R. states "the following policy has received the approval of the heads of the leading religious bodies in the United Kingdom:- (i) each invested member of the Movement shall be encouraged (a) to make every effort to progress his understanding and observance of his promise "to do my best to do my duty to God", (b) to belong to some religious body and (c) to carry into daily practice what he professes". The

Rule goes on to deal with the need to put youngsters in touch with a religious body if they are unattached, the special responsibilities of sponsored Groups, the situation where there are mixed denominations in a Group and the need to ensure that each Commissioner, each Group Scout Leader and Leader of a training section is fully aware that he or she will be expected by personal example to implement the religious policy of the Association.

Note again the emphasis on "personal example". It is the responsibility of each one of us to understand the religious policy of our Movement and to uphold it just as enthusiastically as the rest of the Scouting programme.

Finally, let me quote from that excellent little book "Scout Worship"- "It is extremely important for anyone who wishes to fulfil a position within Scouting to try to come to a fuller knowledge and observance of religious faith. If you are going to achieve the spiritual development of young people you must first demonstrate to them your own living faith. Otherwise how can you be true to the Aim of the Movement and honest to those whom you lead?" And again:- "It is apparent that many boys come to Scouting in a spiritual vacuum. The majority of parents neglect the things of the spirit, so it is not surprising that the children have had little or no instruction in religious matters apart from what they have received from school. Here is a marvellous opportunity for a leader to stimulate an awareness of God and a satisfactory relationship with him. It is important therefore, that the boy sees his leader as a man of principle with a firm faith in God and his own purpose in life".

Those quotations are worthy of serious consideration.

In the context of the above, it is appropriate to record that the County Chaplaincy Team is again complete. I am very pleased to be able to announce that the Reverend Father Michael Evans who is on the staff at St. John's Seminary, Womersley, has accepted my invitation to join the County Chaplaincy Team in succession to the Reverend Father Barry Anderson. He has been an Assistant Scout Leader in Whitstable and more recently in Richmond. I am sure he will receive a warm welcome around the County.

GORDON BATES

Leader Training

If you have a training requirement, now is the time to tell your A.D.C. (L.T.) or Sectional A.D.C., as all Districts have been asked to let me have details of their total course needs before the end of June when we shall be planning Basic courses for the Autumn/Spring months and the Advanced courses for next year.

Particular attention is drawn to the V.S.L. Advanced course offered at Bentley Copse this autumn, there is no time to waste if a place is required, there were 32 on this year's Basic course who are eligible to attend. Similarly any Cub Scouter who is interested in a non-residential Advanced course during the winter months should contact Mrs. Winnie Viner at the address below so that a decision can be made as to its viability.

Finally, I would like to welcome as a full member of the County training team, Mrs. Audrey Penfold, who has been involved with Cub Scouting in Horley for some years and having taken special leader training at Gilwell has now been appointed an Assistant Leader Trainer.

DAVID BARRELL

Bentley Copse

Camping Fees

The basis of charging at Bentley Copse has been changed from a 'per night' to 'per period of 24 hours or part thereof'. This means that it will cost the same to camp from Saturday morning until Sunday evening as it will to camp from Friday evening to Sunday evening (both will be charged for 2 periods of 24 hours) and it is hoped, therefore, that this will encourage a return to the weekend camp that commences on Friday evenings.

Ordinary Camping	20p per head per period of 24 hours.
Use of 'Bentley Barn'	30p per head per period of 24 hrs. or £1 per hour, whichever is the cheaper.
Use of 'The Nest'	£6 per period of 24 hours.

For members outside of Surrey and G.L.S.W.

Ordinary Camping	40p per period of 24 hours.
Use of 'Bentley Barn'	Rates on application to Warden.
Use of 'The Nest'	Rates on application to Warden.

Courses

Scout Fellowship

Leatherhead 16th November

E.J. Mackie, 30 Morton Road, East Grinstead.

Basic Courses

CUB SCOUT LEADERS

Bentley Copse 27th/28th September

J. Gibbons, 115 Hermitage Woods Crescent, St. Johns Woking.

SCOUT LEADERS

Bentley Copse 11th/12th October
(Residential)

D. Barker, 3 Oriental Close, Woking.

Advanced Courses

CUB SCOUT LEADERS

Any interest in a non residential course during the winter should be notified to

SCOUT LEADERS

Bentley Copse 7th/8th, 21st/22nd June
and 5th/6th July

Mrs. W. Viner, 58 West Bank, Dorking.

D. Barker, 3 Oriental Close, Woking.

VENTURE SCOUT LEADERS

Bentley Copse & 20th/21st September &
elsewhere 13th & 25th/26th October

B.C. Wood, 18 Sole Farm Road, Gt. Bookham.

G.S.L./COMMISSIONERS

Bentley Copse 4th/5th October plus
22nd/23rd November

D.R. Barrell, 1 Beech Road, Reigate.

Information from J. Forbat, 46 Firlands, Ellesmere Road, Weybridge.

Water Activities Supervisory Skills Course

11th/12th October

J.M. Elliot, 22 Parkway, Ratton Manor, Eastbourne, Sussex.

Surrey Scout Leaders Activity Weekend

Bentley Copse 13th/14th September

Cub Scouts

At the time of writing this article all the arrangements for "Cub Meet '80" are well in hand and it is hoped that by the time you read this you should be in receipt of your badges and pennants. However, if you have not received them by the time you read this copy of "Surrey Scout" please ring me on 01-393 3527.

June and July are the months in which most of the Cub Camps and Pack Holidays take place. This year I would like to draw your attention to a matter which is often forgotten, overlooked and sometimes, which is worse, dismissed as "It will never happen to me" and that is the question of "Fire Safety". This subject can be split into three parts the Before, the Event and the After. Taking it in order, have you checked all items of equipment which constitute a fire hazard, all cooking and lighting appliances for correct operation and leaks before you pack up for journey. Have you remembered the FULL fire extinguisher, fire buckets? I even know one Pack that always takes a fire blanket as well! Now the event, have you in your planning, isolated the major risks of fire, i.e. the kitchen area from the rest of the camp to minimise the risk of a fire spreading? Whilst you are at camp, do you check at night that the fire is out and any lamps left alight are really secure and that the fire buckets are actually full! Lastly the "after" remember to check that all equipment is returned to the store in a clean and safe condition, all damaged items having been repaired or replaced.

Please remember equipment that does not function correctly is always dangerous and that prevention is much better than cure!

May I take this opportunity of wishing you all happy and successful Camps and Holidays and let nobody from Surrey be a "It will never happen to me" person.

STEVE HALL

County Chaplain

Now that Barry Anderson has been elevated to the majestic heights of a national chaplain's post, I have taken over his position as the R.C. member of the team of County Chaplains. I would like to thank Barry for all his work in the County, and wish him every happiness in his new work.

As this is my very first contribution to "Surrey Scout", I thought that I would use this opportunity to introduce myself. I have been involved in Scouting since I joined the Cub Scouts at the age of eight, and then the Scouts in my home town of Whitstable in Kent. In 1969 I came to the seminary at Womersley to train for the priesthood, and helped out during the holidays as an unwarranted A.S.L. at summer camps. When I was sent to my first parish at Richmond in 1975, I was appointed A.S.L. of a local Scout troop. After two years out of Scouting while I pursued my studies, I am now delighted that I have the chance to get back into Scouting.

I am now back at the seminary, this time as a lecturer instead of a student, and one of my main tasks is to help the young men to grow in their understanding of their vocation and their Christian lives in general. I see a parallel here with the work of a leader in Scouting. It is a leader's task to help the Cub Scouts, Scouts and Venture Scouts to grow in their understanding of their spiritual lives and their "duty to God". For seminary lecturer, minister and Scout Leader, the main way of helping growth is to be ourselves a living example of this growth. We have to be a visual aid of what we are asking for from others.

Leadership in spiritual matters is above all about bringing God alive to others. Youngsters respond with enthusiasm to anything that is really alive. There then is the challenge to each of us: to bring alive the Law and Promise, the "duty to God" - by showing that it is alive and well in us!

MICHAEL EVANS

Finance

Following the letter which was sent to each District Treasurer, the rate of which money has been received from Districts is nothing less than incredible. With the one exception of Woking District, every District had paid in full or in part before the end of April and more than 80% of the total due from Surrey for the year had been despatched to Headquarters by that date; this compares with only 16% last year.

To a very great extent, District Treasurers are in the hands of Groups and these remarkable figures reflect the speed with which Groups have paid their dues. All those responsible not only have the grateful

thanks of County but of Headquarters too. Without doubt, Surrey is showing that with due co-operation from all concerned, there is no reason at all why Headquarters Subscriptions should be outstanding for a long period of time.

And now for the crunch - are those Groups who have yet to pay going to clear their account quickly or are they going to hold everything up so that District, County and Headquarters have to keep their books open far longer than necessary? And a thought to the Scouters of those Groups with outstanding subscriptions still due to Headquarters. What happens if an Insurance Claim should arise???

DOUG. BENNETT

Water Activities

Leadership & Supervisory Skills Course - 11th/12th October '80. H.Q. 4th Thames Ditton (Ajax) Sea Scouts, 19a Ditton Reach, Thames Ditton, Surrey.

The purpose of this Course is to enable Charge Certificate Holders who do not hold Instructor Charge Certificates to supervise water activities on waters for which their Charge Certificate holds good. In order to obtain an Instructor Charge Certificate a personal Charge Certificate has to be valid for waters of the higher grading. The Supervisory Skills Course has been instituted by Headquarters with recognition from Gilwell, and is run by the Water Activities Committee under the authority of the A.C.C. Leader Training.

Since the Thames in Surrey is graded B.1 and requires Scouts to hold a Charge Certificate unless they are under appropriate supervision as defined by the Rules, a Group's ability to provide water activities for its Scouts will be far greater if Scouters either hold an Instructor Charge Certificate or take advantage of the above Course and obtain an endorsement 'Authorised to Supervise' in their personal Charge

Certificate.

The Course will be run jointly by Surrey and Greater London South-West from 2 p.m. until 10.30 p.m. on Saturday, 11th October, 1980 and from 9 a.m. until 5.30 p.m. on Sunday, 12th October, at the Headquarters of the 4th Thames Ditton (Ajax) Sea Scouts.

The programme will include practical work afloat, canoeing, rowing, sailing, first aid, activity planning, safety rules, regulations, information on winds, tides, etc. Fuller details will be provided to those wishing to attend.

Meals will be available, and anybody finding difficulty in getting home on Saturday night could be found somewhere to sleep at the H.Q. The cost of the Course will be £7.50. Please note this first Course is intended primarily for adult leaders.

It is essential that bookings are received by June 15th next, together with a cheque for £7.50. This is necessary so that our team of instructors can make plans before Summer Camps and to finalise details in early September. Because of slow communications and responses, we had to cancel the Course planned for 17th/18th May. If you need this Course, act NOW.

If you have any queries please telephone me on WEYBRIDGE 49616.

JOHN E. FORBAT

Congratulations

CHIEF SCOUT'S AWARD

Donald Ammon	1st Ashford Common

International

I would like to record my thanks to those who have sent their best wishes, and also to John Havers, my predecessor, for taking so much time and trouble in explaining the intricacies of the appointment. Having used John's services in his capacity of A.C.C. (International) on a number of occasions I am aware of his efficiency and experience. I view with some trepidation the standard which John has set!!

May I remind those whose P.C. (Abroad) forms and cards are still outstanding to return them as soon as possible.

A new Overseas Travel Insurance policy has been arranged by H.Q. Insurance Department for £3 per head. In addition to the usual personal cover, it includes cancellation, baggage, money and personal liability up to 6 weeks. Also available is an emergency aid service for £2.50 per head for 17 days, and a motor vehicle breakdown, recovery and get-you-home service for £14 up to 17 days.

For those considering some form of international contact in 1981 I will publish a list of available events in the September issue of "Surrey Scout".

TERRY MAGGS

1980 Census

The most significant figures in this year's Census are the halting of the recent downward trend in the number of Cub Scouts - this in spite of the falling population of boys of Cub Scout age. The Scout section, however, continues to show a drop in figures, now standing some 5% below the 1977 'high' of 6,089. Female Venture Scouts continue to swell the numbers of Venture Scouts in the County, only 2 Districts not yet having any at all.

Banstead shows the highest proportional increase during the year with a figure of 7.6% whilst Farnham shows the largest proportional drop. It is noticeable that shifts in population are not necessarily reflected in the changes in District numbers and it seems clear that some Districts are not taking immediate advantage of people moving into their areas. The figures of 10 years ago (column L) show rather more clearly which Districts have increased in size, some quite dramatically; and those which have remained more or less static. It is interesting to note that some of those 'static' Districts have had quite large population

increases in those 10 years with additional housing estates, blocks of flats, etc.

Larger Groups grow larger. 1st Cranleigh (Guildford District) continue to be the largest Group in the County with 272 members, 1st Ashted (Leatherhead) with 195 members and 2nd Frimley (Surrey Heath) with 190 members being second and third respectively. 46 Groups have more than 100 members each and account for more than a third of the County's total membership.

Districts were much faster in getting the forms through to County indicating that Groups are getting the job done much closer to time. We are still bedeviled by the odd Group where the G.S.L. or person dealing with the figures goes away on business or holiday without first getting someone else to finish the job. Our grateful thanks are due to all those who helped put the figures together. It was a good job done well and speedily.
